

## Our Ministry Team

### Michael and Katherine Boyd & Stephen and Kaylene Taylor

Sunday@5 has set apart two couples to work full time within our Church and local communities.

The Boyds have three children – Tara, Owen and Erin. Michael previously worked at Revesby Congregational Church and joined the Tweed team in 2010. He loves music, food, cricket and family holidays.

The Taylors also have three children – Samuel, Jemma and Joshua. Stephen has been the senior minister of the Kingscliff Presbyterian Church for almost 20 years. He loves his sport, his Sudoku and getting out into God's great creation.

## Sunday@5

*Join us for*

*Bible-based preaching  
contemporary worship  
caring fellowship  
kids' church  
growth groups  
missions and evangelism  
prayer*

Here at Sunday@5, we've found that having our children's and youth program in the evening gives families a positive option for worshipping together.

Everyone begins the service together in a kid-friendly environment, then trained Sunday School teachers run a program while the adults stay in for the preaching.

We finish just after 6.00 pm, so children can get home in good time to be ready for school, but people seem to enjoy staying on for a chat!

Once a month we have a meal together – the famous Spud Sunday!

Situated close to the Riverside campus of SCU and in a great location, we're ideal for Uni students. Bible study groups meet throughout the area for all ages.

At Sunday@5 you'll find a caring group of people from all kinds of backgrounds seeking to follow Jesus.

*From toddlers  
through to retirees,  
new to the area  
or a long-time local,  
it's great to have  
an extended church family.*

## Sunday@5

aims to concentrate on...

**TEACHING.** Through our preaching and small groups we want to apply the timeless truth of God's Word to our contemporary Australian lifestyle. To this end we put our sermons on the internet, contribute to the gospel program on 4CRB and teach a Reformed and Evangelical faith.

**WORSHIP.** Each Sunday we meet together to worship our great God. We do this through by providing a Church service that is primarily aimed at families with school aged children where we have contemporary music, relevant Biblical preaching in a strong and caring Christian community.

**CARING.** We realize because God has firstly loved us we need to love others with a sacrificial love that comes directly from God. We do this through visiting our nursing homes and hospitals, organized prayer and welfare for those in need and by running regular social events.

**REACHING.** We wish to reach out to the Tweed, Australia and then the whole world so that others might have what we have – a relationship with our Creator God through our Lord Jesus Christ. Practically that means supporting both overseas missionaries as well as local SRE teachers & running outreach events for seniors, children, men and women.

**FAMILIES.** We place a huge emphasis on ministering to the whole family through our Playgroup (pre-school), Crèche (years 0-3), Sunday School (ages 3-11), midkids (ages 3-15), youth group (ages 11-15), young adults group (ages 15-21) plus our tertiary ministry at Southern Cross Uni. We have also been on the forefront of teaching and training of our local Scripture teachers, the setting up of a Board to fund our High School SRE teachers & founding the Aurora Church network to encourage prayer & Chaplaincy in a number of our local primary schools.

## Tweed Heads Presbyterian Church

Sunday@5 is a part of the Tweed Heads Presbyterian Church.

The Tweed Heads Presbyterian Church is actually four congregations that each try and reach a different group of people and so are in some ways independently run.

But they are able to pool their resources together and so create synergies in order that they might support one another. In this way we hope to reach all ages and all types of lifestyles for Jesus but still are able to so in a way that meets everyone's unique needs.

So how it works is that...

Sunday@5 runs a family service at the Tweed Church primarily aimed at families with children, older teenagers and university students.

Kingscliff Church reaches people on the lower Tweed Coast using a traditional service.

Tweed AM likewise uses a traditional service to reach retirees in the Tweed/Coolangatta region.

midweekchurch seeks to reach people who haven't been at Church for a while with an informal, family friendly Church service.
