midweekchurch

*Too busy on the weekend?
Want your Church Biblical and
relevant?*

*Then why not try
midweekchurch!*

Established in 2006, midweekchurch is a worship service specifically aimed at reaching the missing generations from most local Churches (ages 6-45).

Every Wednesday we meet at the Terranora Primary School for a meal then Church and midkids. This means that by the time it all ends (7:15pm) you will have eaten, learnt more about God, prayed, enjoyed meeting new friends and all that you will need to do is take your children home, have a shower and they can go to bed!

Our time together is aimed at families with primary and secondary aged children therefore

- *our welcome is warm and friendly,*
- *our music is contemporary,*
- *our teaching is Biblical & relevant &*
- *our service style is informal.*

Why we even have a half time break for a brief chat, a coffee & something yummy to eat!

*So if, for whatever reason you
have wandered away from the
Church in the past, why not
give us a try? You might find
that we are just what you are
looking for!*

midweekchurch

aims to especially concentrate on...

TEACHING. Through our preaching and small groups we want to apply the timeless truth of God's Word to our contemporary Australian lifestyle. To this end we put our sermons on the internet, contribute to the gospel programme on 4CRB and teach a Reformed and Evangelical faith.

WORSHIP. Each Sunday we meet together to worship our great God. We do this through a mixture of traditional & contemporary music, relevant Biblical preaching in a strong and caring Christian community. We then enjoy some good old fashioned cooking and a cuppa for morning tea!

CARING. We realize that because God has first loved us we need to love others with a sacrificial love that comes directly from God. We do this through visiting our nursing homes and hospitals, organized prayer and welfare for those in need and by running regular social events.

REACHING. We wish to reach out to Kingscliff, the Tweed, Australia and then the whole world so that others might have what we have – a relationship with our Creator God through our Lord Jesus Christ. Practically that means supporting both overseas missionaries as well as local SRE teachers & running outreach events for seniors, children, men and women.

FAMILIES. Across our Church we place a huge emphasis on ministering to the whole family through our Playgroup (pre-school), Crèche (years 0-3), Sunday School (ages 3-11), midkids (ages 3-15), youth group (ages 11-15), young adults group (ages 15-21) plus our tertiary ministry at Southern Cross Uni. We have also been on the forefront of teaching and training of our local Scripture teachers, the setting up of a Board to fund our High School SRE teachers & founding the Aurora Church network to encourage prayer & Chaplaincy in a number of our local primary schools.

Tweed Heads Presbyterian Church

**Midweekchurch is a part of the
Tweed Heads Presbyterian Church.**

**The Tweed Heads Presbyterian
Church is actually four congregations
that each try and reach a different
group of people and so are in some
ways independently run.**

**But they are able to pool their
resources together and so create
synergies in order that they might
support one another. In this way we
hope to reach all ages and all types
of lifestyles for Jesus but still are
able to so in a way that meets
everyone's different unique needs.**

So how it works is that...

**midweekchurch seeks to reach
people who haven't been at Church
for a while with an informal, family
friendly Church service.**

**Kingscliff Church is attempting
to reach people on the lower Tweed
Coast using a traditional service**

**Tweed AM is likewise using a
traditional service to reach retirees
in the Tweed/Coolangatta region.**

**Tweed PM runs a family service
primarily aimed at families with
children, older teenagers and
university students.**
