

Our Ministry Team

Michael and Katherine Boyd & Stephen and Kaylene Taylor

Tweed Heads Presbyterian has set apart two couples to work full time within our Church and local communities.

The Boyds have three children – Tara, Owen and Erin. Michael previously worked at Revesby Congregational Church and joined the Tweed team in 2010. He loves music, food, cricket and family holidays.

The Taylors also have three children – Samuel, Jemma and Joshua. Stephen has been the senior minister of the Kingscliff Presbyterian Church for almost 20 years. He loves his sport, his Sudoku and getting out into God's great Creation.

Tweed AM

Looking for a loving Christian community where you will be nurtured in your faith in Jesus?

Why not give us a try!

For over one hundred years, Tweed Heads Presbyterian Church has served the district and beyond.

Over that time we have built a reputation as a committed and loving congregation. We really care for people and that is evident the moment you come along to a service.

At Tweed AM we love to sing so we have a traditional service using classic hymns.

Our preaching is biblical and relevant to our everyday lives and we are a prayerful, supportive environment where you can learn more about God and grow in your Christian faith.

We have a prayer group before the service and a great morning tea afterwards. We finish just after 11.00 am, so people love to stay on for a cuppa and chat.

We have lots of groups meeting through the week for more opportunities for friendship, learning and prayer.

Many of our regulars are involved in visiting hospitals and nursing homes and getting involved in the wider community.

*new to the area
or a long-time local,
it's great to have
a Church to call home.*

Tweed AM

aims to especially concentrate on...

TEACHING. Through our preaching and small groups we want to apply the timeless truth of God's Word to our contemporary Australian lifestyle. To this end we put our sermons on the internet, contribute to the gospel programme on 4CRB and teach a Reformed and Evangelical faith.

WORSHIP. Each Sunday we meet together to worship our great God. We do this through a mixture of traditional & contemporary music, relevant Biblical preaching in a strong and caring Christian community. We then enjoy some good old fashioned cooking and a cuppa for morning tea!

CARING. We realise that because God has first loved us we need to love others with a sacrificial love that comes directly from God. We do this through visiting our nursing homes and hospitals, organized prayer and welfare for those in need and by running regular social events.

REACHING. We wish to reach out to the Tweed, Australia and then the whole world so that others might have what we have – a relationship with our Creator God through our Lord Jesus Christ. Practically that means supporting both overseas missionaries as well as local SRE teachers & running outreach events for seniors, children, men and women.

FAMILIES. Across our Church we place a huge emphasis on ministering to the whole family through our Playgroup (pre-school), Crèche (years 0-3), Sunday School (ages 3-11), midkids (ages 3-15), youth group (ages 11-15), young adults group (ages 15-21) plus our tertiary ministry at Southern Cross Uni. We have also been on the forefront of teaching and training of our local Scripture teachers, the setting up of a Board to fund our High School SRE teachers & founding the Aurora Church network to encourage prayer & Chaplaincy in a number of our local primary schools.

Tweed Heads Presbyterian Church

Tweed AM is a part of the Tweed Heads Presbyterian Church.

The Tweed Heads Presbyterian Church is actually four congregations that each try and reach a different group of people and so are in some ways independently run.

But they are able to pool their resources together and so create synergies in order that they might support one another. In this way we hope to reach all ages and all types of lifestyles for Jesus but still are able to so in a way that meets everyone's unique needs.

So how it works is that...

Tweed AM is a traditional service to reach retirees in the Tweed/Coolangatta region.

Kingscliff Church reaches people on the lower Tweed Coast using a traditional service.

Sunday@5 runs a family service at the Tweed Church primarily aimed at families with children, older teenagers and university students.

midweekchurch seeks to reach people who haven't been at Church for a while with an informal, family friendly Church service.
