Kingscliff Presbyterian

aims to especially concentrate on...

Kingscliff Presbyterian

*Looking for a loving Christian
community where you will be
nurtured in your faith in Jesus?
Then why not give us a try!*

Established in the late 1800's Kingscliff Presbyterian has been ministered to the communities of Kingscliff, Cudgen and Chinderah for almost 120 years!

During this time we have built a reputation being a committed and loving congregation. We really care for our people and that is evident the moment you come along to a service.

We run a traditional service made up of classic hymns from the past with a mixture of good contemporary tunes; we like our preaching to be biblical but relevant to our everyday lives and we are a prayerful, supportive environment where you can learn more about God and grow in your Christian faith.

We are also part of a larger group of Christians that makes up every age range. This means we don't try and meet everyone's needs at our Kingscliff service; instead we aim here to minister to people who have had a Church background but are still looking for a loving and supportive Church home.

*So if, for whatever reason you
have wandered away from the
Church in the past, why not
give us a try? You might find
that we are just what you are
looking for!*

TEACHING. Through our preaching and small groups we want to apply the timeless truth of God's Word to our contemporary Australian lifestyle. To this end we put our sermons on the internet, contribute to the gospel programme on 4CRB and teach a Reformed and Evangelical faith.

WORSHIP. Each Sunday we meet together to worship our great God. We do this through a mixture of traditional & contemporary music, relevant Biblical preaching in a strong and caring Christian community. We then enjoy some good old fashioned cooking and a cuppa for morning tea!

CARING. We realize that because God has first loved us we need to love others with a sacrificial love that comes directly from God. We do this through visiting our nursing homes and hospitals, organized prayer and welfare for those in need and by running regular social events.

REACHING. We wish to reach out to Kingscliff, the Tweed, Australia and then the whole world so that others might have what we have – a relationship with our Creator God through our Lord Jesus Christ. Practically that means supporting both overseas missionaries as well as local SRE teachers & running outreach events for seniors, children, men and women.

FAMILIES. Across our Church we place a huge emphasis on ministering to the whole family through our Playgroup (pre-school), Crèche (years 0-3), Sunday School (ages 3-11), midkids (ages 3-15), youth group (ages 11-15), young adults group (ages 15-21) plus our tertiary ministry at Southern Cross Uni. We have also been on the forefront of teaching and training of our local Scripture teachers, the setting up of a Board to fund our High School SRE teachers & founding the Aurora Church network to encourage prayer & Chaplaincy in a number of our local primary schools.

Tweed Heads Presbyterian Church

Kingscliff Presbyterian is a part of the Tweed Heads Presbyterian Church.

The Tweed Heads Presbyterian Church is actually four congregations that each try and reach a different group of people and so are in some ways independently run.

But they are able to pool their resources together and so create synergies in order that they might support one another. In this way we hope to reach all ages and all types of lifestyles for Jesus but still are able to do in a way that meets everyone's different unique needs.

So how it works is that...

Kingscliff Church is attempting to reach people on the lower Tweed Coast using a traditional service

Tweed AM is likewise using a traditional service to reach retirees in the Tweed/Coolangatta region.

Tweed PM runs a family service primarily aimed at families with children, older teenagers and university students.

midweekchurch seeks to reach people who haven't been at Church for a while with an informal, family friendly Church service.
